Who are we?

Amicale du Nid is an association of professionals: social workers, nurse and legal advisor. Our team works with people concerned by prostitution or trafficked human beings for prostitution.

For who?

Those involved in prostitution or victims of trafficking in human beings (women, men, trans, major, minor, isolated or couple, with or without children)

Where?

- **At the office in Grenoble:**
 - Tuesday from 9:00 to 12
- **At the office in Chambéry:**
 - Tuesday from 9:00 to 11:30

Why?

To find with you possible solutions to your concerns, your problems, your projects in various areas (administrative, legal, judicial, social, residence rights, health, shelter, housing, employment ...)

How?

Individual appointment, in confidence, social workers, nurse and legal advisor are at your disposal to inform you and help you in your efforts and project

You have rights !!

You are victim ? You have questions about your rights ? You have some problems?

You are in **prostitution?**

You are a **victim of prostitution or human trafficking.**
Someone **threatens** you?

You are or have been **victims of violence.**
You have been **robbed?**

You have **no document, no paper** to stay in France? You don't know your rights and which document or paper to ask?

As a victim, you have rights!

As foreigner and victim of pimping/human trafficking, police or gendarmerie can give **30 days to think of giving information** against your pimp. During that time, Prefecture will give you a document to stay in France with a right to work and allocation.

The **right to file a complaint** against pimp, a thief, an abuser...

The **right to see a lawyer for free**, who can explain to you your rights and defend yourself.

The right to use the address of your lawyer to give information to the police or the gendarmerie

As a foreigner and victim of pimping/human trafficking, you **can claim a right of document or apply for asylum or protection**

As a victim, you can be protected!

The **right to quit prostitution**, the right to **housing, justice, financial help, employment ...**

The right **to consult a doctor** and get treatment for free. The right to **medical coverage** (AME, CMUC ...). The right to **abortion.**

The right to **have an accommodation, a housing.**
