

## Who are we?

L'Amicale du Nid is an association founded in 1946. It is not linked or tied to any religion or any political party. It welcomes anyone concerned by prostitution, regardless of its position or choice.

## For whom?

For you (or someone close to you) who is concerned by prostitution and seeks for support.

## For what?

To address your concerns, your needs, and your projects with a health worker, a nurse, a social worker or a vocational and job counselor, ready to listen.

To be helped and supported in your efforts to access healthcare, education, culture or any other fundamental right...

## How?

Amicale du Nid Paris is a place where you can receive support individually and confidentially.

A counselor will offer to build with you a long-term personal project.

## Where and when?

Individual counseling without appointment:  
Monday to Friday (except Thursday)  
14h-18h30

Health counseling: on Tuesday 14h-18h30
